

## ADMISSION GUIDEBOOK FOR LIVESTOCK TRAINING AGENCY (LITA) INSTITUTIONS - 2020/2021

LIVESTOCK TRAINING AGENCY TENGERU CAMPUS (REG/ANE/001)							
SN	Program name	NTA LEVEL	Admission requirements	capacity	(1 <sup>st</sup> yrs) Tuition fee (TZS)	2 <sup>nd</sup> Year Tuition fee (TZS)	3 <sup>rd</sup> Year Tuition fee (TZS)
1.	Ordinary Diploma in Animal Health and Production (Duration 3 yrs)	NTA LEVEL 4 -6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology, Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I	200	Tsh.992,500/=  Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715
2.	Ordinary Diploma in Animal Health and Production *(Duration 2 yrs)	NTA LEVEL 5 - 6	A candidate must have passed Certificate in Animal Health & Production (AHPC) or Certificate in General Agriculture	100		Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715
3.	Ordinary Diploma in Animal Health and Production *(Duration 1 yr)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	100			Tsh.1,107,500 Foreigner Fee: UDS 715
LIVESTOCK TRAINING AGENCY MPWAPWA CAMPUS (REG/ANE/013)							
1.	Ordinary Diploma in Animal Health and Production (Duration 3 yrs)	NTA LEVEL 4-6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology,	200	Tsh.992,500/=  Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715

			Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I				
2.	Ordinary Diploma in Animal Health and Production *(Duration 1 Year)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	200			Tsh.1,107,500 Foreigner Fee: UDS 715
<b>LIVESTOCK TRAINING AGENCY MOROGORO CAMPUS (REG/ANE/010)</b>							
1.	Ordinary Diploma in Animal Health and Production (Duration 3 yrs)	NTA LEVEL 4-6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology, Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I	200	Tsh.992,500/= Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715
2.	Ordinary Diploma in Animal Health and Production (Duration 1 year)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	200			Tsh.1,107,500 Foreigner Fee: UDS 715
3.	Ordinary Diploma in Range Management and Tsetse Control *(Duration 1 year)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	100			Tsh.1,107,500 Foreigner Fee: UDS 715
<b>LIVESTOCK TRAINING AGENCY MADABA CAMPUS (REG/ANE/021)</b>							
1.	Ordinary Diploma in Animal Health and Production	NTA LEVEL 4 -6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and	150	Tsh.992,500/= Foreigner Fee:	Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715

	(Duration 3 yrs)		Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology, Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I		USD 550		
2.	Ordinary Diploma in Animal Health and Production *(Duration 1 Year)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	80			Tsh.1,107,500 Foreigner Fee: UDS 715
<b>LIVESTOCK TRAINING AGENCY BUHURI CAMPUS (REG/ANE/022)</b>							
1.	Ordinary Diploma in Animal Health and Production (Duration 3 yrs)	NTA LEVEL 4-6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology, Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I	150	Tsh.992,500/=  Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	Tsh.1,107,500 Foreigner Fee: UDS 715
2.	Ordinary Diploma in Animal Health and Production *(Duration 1 Year)		A candidate must have passed Technician Certificate in Animal Health and Production (CAHP) NTA Level 5	50			Tsh.1,107,500 Foreigner Fee: UDS 715
<b>LIVESTOCK TRAINING AGENCY TEMEKE CAMPUS (REG/SAT/004P)</b>							
3.	Ordinary Diploma in Veterinary Laboratory	Level 4-6	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and	150	Tsh.1,305,000 Foreigner Fee: USD 750	Tsh.1,420,000 Foreigner Fee: UDS 915	Tsh.1,420,000 Foreigner Fee: UDS 915

	Technology (Duration 3 yrs)		Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> A candidate must have passed <b>ACSEE</b> science subjects with a minimum qualification of at least <b>one Principal</b> pass and <b>one subsidiary</b> in science subjects, i.e. Biology, Chemistry, Physics, Mathematics, Geography and Agriculture OR A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I				
4.	Ordinary Diploma in Veterinary Laboratory Technology *(Duration 1 Year)	NTA LEVEL 6	A candidate must have passed Technician Certificate in Veterinary Laboratory Technology (CVLT) NTA Level 5	150			Tsh.1,420,000 Foreigner Fee: UDS 1,075
<b>LIVESTOCK TRAINING AGENCY MABUKI CAMPUS (REG/SAT027P)</b>							
1.	Technician Certificate in Animal Health and Production (Duration 2 yrs)	Level 4-5	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> <b>OR</b> A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I	150	Tsh.992,500/=  Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	
<b>LIVESTOCK TRAINING AGENCY KIKULULA CAMPUS (NACTE 123)</b>							
2.	Technician Certificate in Animal Health and Production (Duration 2 yrs)	Level 4-5	A candidate must have passed <b>CSEE</b> at least four subjects of which <b>two must be</b> science subjects i.e. Biology, Agriculture, Chemistry, Mathematics, Physics and Geography with a minimum qualification of at least grade <b>D</b> in two science subjects <b>or</b> <b>OR</b> A candidate must have passed <b>CSEE</b> with Vocational CBET certificate in Animal Health and Production VTA Level 3 or Trade Test I	150	Tsh.992,500/=  Foreigner Fee: USD 550	Tsh.1,107,500 Foreigner Fee: UDS 715	

**Note:** Programmes with \* (Duration 1 year) in this document are those programmes which the applicants have completed NT Level 4 &5 in the previous years for Animal health and Production and Veterinary Laboratory Technology programmes, while for Range & Tsetse control programme Duration of 1 year are for those applicants who have graduated in Technician Certificate in Animal Health and Production (CAHP) NTA Level 5
